CELEBRATING 100 YEARS OF PINOTAGE & 66 YEARS OF LANZERAC'S LEGACY

2025 marks a momentous milestone—the 100-year celebration of Pinotage, South Africa's signature cultivar, first created in 1925 by Professor Abraham Perold. As we honour a century of this bold and distinctive varietal, we also celebrate Lanzerac's rich history as the first to bottle a commercial Pinotage in 1959. For 66 years, Lanzerac has been at the forefront of crafting exceptional Pinotage, showcasing its versatility and depth. From robust reds to an elegant rose and innovative blends, our commitment to this uniquely South African grape continues to shine, offering guests a true taste of heritage in every sip.
