The Art of Culinary Excellence

EXECUTED TO PERFECTION

Whether its lavish breakfasts or classic evening dishes that have been reimagined with a twist in the Manor Kitchen, to tasty small plates in the Craven Lounge and gourmet pub-style fare enjoyed in the cosy indoor environment of the Taphuis or on the outdoor terrace, at Lanzerac, our superb cuisine - boasting the very best locally sourced, seasonal and sustainable ingredients - takes diners on an exciting culinary journey.

Manor Kitchen

In the Manor Kitchen, guests can indulge in an opulent buffet breakfast or treat themselves to classic evening dishes that have been reimagined with contemporary influences and comprised of the very best local, seasonal ingredients. Diners will get a glimpse of the creativity that goes into preparing these appetizing meals through the large-scale windows that look in on the kitchen's operations. Guests can also enjoy the rusticity and airiness of the venue with its natural light streaming in through the skylight and greenery of the gardens filtering in through the windows.

On Sundays, visitors can enjoy a four-course lunch served between 12h00 and 15h00 at a cost of R390 per person. The set menu meals, which are changed weekly, feature a starter, soup, main and dessert. Patrons can also stop by for a sumptuous Afternoon Tea served every Saturday between 14h00 and 17h00, with both sweet and savoury options on offer. Priced at R280 per person, the Afternoon Tea includes loose leaf TWG teas and a complimentary glass of Lanzerac Méthode Cap Classique.
