

Lanzerac

Welcomes You Back

We are delighted to open our doors to visitors once again. This recent period has created an opportunity for the Lanzerac team to reinvent their ways of welcoming you back to the Estate.

In preparation for the months ahead, know that we are adapting our arrival and departure interactions, adjusting activities, modifying the dining rooms for extra space and so much more. We are taking every precaution, even while planning new and creative ways to delight and care for our Guests.

With new etiquettes and hygiene precautions, we want to assure you that our number one priority is the health and safety of our Guests and Team.

Please review information about some changes you can expect when you arrive and during your stay on the Estate.

We look forward to welcoming you back.
